

The Vermont Fairy Tale Festival Presents
**THE GREAT VERMONT
DRAGON EGG HUNT**

Sponsored by Whiting Library Youth Department

Whiting Library is excited to take part in the Great Vermont Dragon Egg Hunt! A magic dragon has built a nest on the disc golf course in Chester and laid her eggs in it. Now she challenges kids to take a hike and try to collect one of her eggs! Visit unique locations along the trail by following picture clues that lead you around the disc golf course. Find the dragon's nest and bring 1 paper egg back to the library to be entered in a raffle to win a Dragon Puppet and her egg! Participants must be 16 or younger to win the raffle.

Start at the Disc Golf Course kiosk at the Pinnacle Rec Area on Lover's Lane in Chester near the ice rink parking area. Hike the disc golf course trail from Tee Box #1 through Basket #6. This is a moderate, up hill hike, in an active recreation area. Watch out for disc golf players on the course. Pack a water bottle and snacks! Takes approximately 1 hour.

Complete the dragon egg hunt around the Disc Golf Course to become a part of this fiery force!

Only look on public ground that's the only place her nest will be found!

Follow the fairway, hiking from baskets one through six.

This bench once served as a curb on a street. Cop a squat to read a book here and you won't miss a beat!

This clump of 5 trees,
is located at the peak.
The dragon knows this area
is very special,
so to speak.

The dragon likes where it sits,
and doesn't mind when folks
stay for a bit.

Near Basket #6

You won't have to shake it or
struggle or plead,
just come face to face with it,
and feel no greed.

Enjoy this beautiful view and
your egg hunting success.

Congratulations on the hunt
and for doing your best!!
